

Marten Isolators

INSTALLATION GUIDE

To change pucks and cones to Marten Isolators we recommend two people.

Contents

8 x Marten Isolators

How to set-up

1. Lift the right side of the speaker
2. Remove pucks
3. Unscrew cones
4. Screw Isolators into the stand as far as possible without over-tightening
5. Lower the right side of the speaker
6. Repeat steps 1 - 5 for the left side of the speaker
7. Adjust each Marten Isolator to ensure the speaker is level
8. Rotate each Marten Isolator so the Marten logo faces forwards
9. Tighten nuts to fix the position of each Marten Isolator
